

BASE Handbook 2009-2010

Where fun and learning collide!

Purpose of BASE

The BASE program will provide a safe, nurturing, and fun atmosphere, before and after school for children of families enrolled at St. Elizabeth Ann Seton School.

Objectives of BASE

This program will meet the social, emotional, spiritual, and physical needs of K-8 children.

There are two goals for this program. The first goal is to offer students the opportunity for personal growth. The second goal is to offer the students the opportunity for academic growth.

Within these two goals, there are three objectives that this program will focus on.

1. To increase the student's ability to improve their academic achievements by helping the student complete homework assignments, improve the student's academic performance and improve the student's attitude toward homework.
2. To increase the student's lifetime recreational skills by increasing their existing skills in a variety of recreational activities and by exposing them to new lifetime recreational activities.
3. To increase the student's self management skills through learning self control, developing organizational skills and learning responsibility.

BASE Staffing

The BASE program will have adequate staffing with a preferred ratio of 15:1. Staffing will be determined after preliminary enrollment is completed and commitment has been made by SEAS school families.

Drop-off and Pick-up Procedures

Parents must bring their child/ren into the school each morning. All parents must sign in their child/ren to BASE each morning. Please also make sure the staff is aware of your child/ren being dropped off.

Parents must pick up their child/ren each afternoon. All parents must sign out their child/ren at this time. Children will be released only to persons who are authorized to pick them up as indicated on the enrollment form. If someone other than the authorized persons will pick up a child, prior written permission is required stating the name and telephone number of the person who will pick up the child.

School Closings

In cases of very severe weather, hazardous road conditions, or unforeseen events, BASE will not be in session. If Hastings Public Schools and SEAS school close, the BASE program will close as well. Please listen to the local radio station **KDWA-1460** or **WCCO 830** for updated information on school closings. Sessions missed due to bad weather will not be reimbursed.

Communication with Parents

There will be a monthly information folder that will be handed out to the parents the 3rd week of each month at pick-up/drop-off. This folder will include monthly payment forms and calendars as well as other important information. E-mails will also be used as the primary communication from the director.

Parents can reach the Director, Christine Meshak at 651-437-3098 or email at basecoordinator@seasparish.org

Emergency Procedures & First Aid

BASE Behavior Management

For safety and fun it is important that children follow the school rules while at BASE. It is the program's belief that discipline be handled in a fair and compassionate way.

The BASE program will be following the school discipline policy which is modeled after the works of H. Stephen Glenn (Developing Capable People) and Jane Nelsen (Positive Discipline). This model helps students develop mutual respect, cooperation, and responsibility.

If an infraction occurs, the student will receive a verbal warning. If the behavior continues, the student will be removed from the activity until they can control themselves. If it continues, a Stop, Think, and Plan sheet will be issued and student will be removed from BASE activities until the care giver deems appropriate. After 3 sheets, the student and parents will have a meeting with the director and Mrs. Humbert. Certain behaviors of a more serious nature will result in immediate removal from BASE activities and a Stop, Think, and Plan sheet.

Questions? Concerns? Suggestions?

Please communicate directly with the care giver who is working the shift or contact Mrs. Meshak, BASE Director. Also, feel free to contact Mrs. Humbert, Principal, if needed. We are always looking at improving programming options and student opportunities.

If you know of anyone who would like to be a homework helper after school for elementary students please ask them to contact the BASE Director. Thank You!
