

NCEA Convention & BASE

Our students will have April 6, 7, & 8 off as our teachers attend the National Catholic Education Association's annual convention in Minneapolis. BASE will be open all 3 days from 6:30 a.m. - 6:00 p.m. We are opening these days to BASE families as well as all school families who need child care during this convention.

We offer 3 days of fun, activities, and field trips that your child(ren) will enjoy. The cost is \$29 per day. Field trips have an additional fee. If you need child care, please consider BASE! We will need 20 students to make these field trips possible.

****Field Trip Schedule****

Tuesday, April 6th - Field Trip to Grand Slam \$20

Wednesday, April 7th - Lunch at Karl's Kitchen and dessert and activities at Creative Confectionaries in downtown Hastings. \$10
