Dear Families:

*It is registration time for the 2010-2011 school year. Our current families have 1<sup>st</sup> priority in securing a spot for next year so please get your registration in by Friday, February 5th with the early bird registration fee of \$100.*

*The School Advisory Committee's goal (and mine!) is to fill every available seat in every classroom. We did not raise tuition for the 2009-2010 school year and for next year we were able to keep it to a modest \$100 increase with no increases in any other fees.*

*No child will be denied a Catholic education due to financial constraints. We want to work with all family budgets in order to make our school accessible to all who desire to come here. Please fill out the financial aid information soon if you need to. Please consider paying more than the stated tuition amount if you are able to; the real cost of educating a child is more than what we charge for tuition. We are able to keep tuition costs reasonable because of those who can afford more. Thank you!*

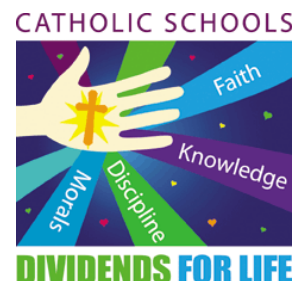

*It's all about value. The K-8 grade years are an exciting time as we journey with children as they grow into responsible young adults. Learning comes alive as our youngest students are amazed by the wonders of reading. Our older students work together to bring meaning to the ideas and concepts learned in the classroom. Our middle school students grow as leaders and role models as they prepare to enter the world of high school. We help our students grow in faith as experienced through the sacraments and works of service. SEAS parents, teachers, and staff set high expectations for students. We are very proud of our students as they consistently shine in the classroom, on the playing field and in the arts. Our students develop not only their minds and spirits, but also their hearts as they live out their call to be young people of faith, honor and compassion. Our teaching staff live out their vocation to teach as Christ did in helping to shape our young people into strong leaders of our faith for the future. We invite you to come along on this wonderful journey of learning with us...it is an experience that has "Dividends For Life".*

### **What Our Children BELIEVE is Just as Important as What They Know.**

*Let St. Elizabeth Ann Seton School continue to help your family place the value on faith, knowledge, discipline, and morals.*

*In Christ,*

*Mrs. Humbert  
Principal*
